D.V. HIGHLIGHTS

By Edith Deby

Miss Deedee Hennessey is attending business college this year in Edmonton. Deedee is a recent graduate of the Frank Maddock High School in Drayton Valley.

Barbara LaPointe is visiting her mother, Mrs. Lawrence midt for a few days. Barbara is a splendid cook and has recently capitalized on this accomplishment by opening her own cafe on the Trans Canada Highway three miles west of Revelstoke. Barbara calls her place "Barbara's Pad Cafe". Am looking forward to having a slice of Barbara's excellent pie the next time through Revelstoke.

Mrs. Cecil Wall spent a week with relatives in Rocky Rapids lately. She had small grandson, Gregg LaBirk, with her.

Mrs. Fred Cull has had her operation and is doing well. She expects to be home in about ten days.

Mrs. John Maughan is visiting her sister and brother-in-law, Mr. and Mrs. Fred Chipchase. Mrs. Maughan lived in Summerland, B.C. for a short time after leaving Dray-

Chip Lake Girl Wins Calgary Power Award

It was almost Christmas. Just three more days to go. Four-year old Doris Pollard could hardly wait. But everything wasn't just right at the Pollard home. Some of the farm animals were sick. The veterinarian had just arrived and had gone out to the barn with Mrs. Pollard to see what he could do.

Doris was playing in the living room with her two little brothers Ricky and Gary. Her baby sister Sharon was in her crib. She was only 9 months old, but could hear the fun going on in the living room, and was anxious to join her sister and brothers. Doris wanted to pick her up but remembered her mother's warning about never lifting the baby out of the crib.

Suddenly, there was a bang. Doris thought the stove had "fallen down". Sparks from the stove were everywhere - a terrifying sight. Doris told her two brothers to run out of the house. She followed behind and called to her mother. However, Mrs. Pollard didn't hear Doris, the barn was too far away. Doris rushed back into the burning house - lifted Sharon from her crib and carried her outside.

Imagine the quandry the little girl was in. Her mother had told her never to pick the baby up but, the house was on fire and she had to carry Sharon to safety.

When Doris' mother saw the children she rushed to the house, but found it ablaze. Doris had rescued her two brothers and sister. A pretty unusual deed for a little four-year old girl.

It was for this courageous act that Doris Pollard received a Special Award from Calgary Power Ltd. She was too young to receive a Junior Citizen of the Year Award so instead was given a special citation and a fifty-dollar cheque at the Wildwood and District Agricultural Society banquet on October 2nd.

The award was made in connection with the Junior Citizen of the Year Program, sponsored by Alberta's investor-owned electric utility companies with the co-operation of Alberta's Weekly Newspapers.

The award was presented by Edward Nelson, local manager, Calgary Power Ltd.

Among those attending the Wildood banquet were R.B. Smith, publisher of the Drayton Valley Western Review, Fred Edwards, Divisional Supervisor, Calgary Power Ltd and Tim Finnis, Advertising Assistant, Calgary Power Ltd. Doris was nominated for the award earlier this year by Arthur Playford, editor of the Drayton Valley Banner, which has now been purchased by Mr. Smith and renamed The Western Review.

Guests of honor at the dinner were these members of Alberta's canoe team: Back row, left to right, Dave Maclure, Drayton Valley; Lance Mayer, Medicine Hat; Bob Polluck, Calgary; Mike Hayduk, Tom Bridges, Karl Vanderkley, and Terry Ford, all of Edmonton; and Team Captain Vic Maxwell, of Rocky Mountain House. Front row, left to right: Syd Webb and Les Webb of Edmonton; Albert Abel, Calgary; Dale Hodge, Edmonton; George Abel, Calgary; and Commodore John Nikel, of Edmonton. Missing from the picture, Pete Derochie, Edmonton. Tom Bridges, fifth from left, back row, although not a member of the team was one of the group which surveyed the course of the Centennial Canoe Pageant from Kenora to North Bay, Ontario.

Banquet Honors Alberta Paddlers

Fourteen Alberta paddlers were honored recently at a dinner hosted by the Provincial Secretary's Department of the Government of Alberta, a tribute to their victory in the two-week canoe race from North Bay to Ganonoque, Ontario.

The race was the first in a series of trial races being held as a preliminary to the 1967 Centennial Voyageur Canoe Pageant. The Alberta team, captained by Vic Maxwell of Rocky Mountain House, and made up of paddlers from Medicine Hat, Calgary, Edmonton, Rocky Mountain House and Drayton Valley, finished well ahead of their nearest competitors to win the Long Distance Paddling Trophy. John Nikel, of Edmonton, president of the Alberta Paddlers' Association was commodore of the group.

At the dinner, Deputy Provincial Secretary P.B. Howard thanked the paddlers for their outstanding showing on behalf of the Alberta government and the people of the province. Commodore John Nikel and Captain Vic Maxwell showed a series of colored slides and commented on the highlights of the trip. Tom Bridges, of Edmonton, one of the six paddlers who surveyed the route of the Centennial Pageant from Kenora to North Bay, spoke on the difficulties of the trip, and Professor Geoff Elliott, of the Faculty of Physical Education, University of Alberta, gave the team a preview of the winter physical training program being devised for each member to prepare them for future contests.

One in six pilots trained in Canada since 1946 has been a former Air Cadet.

TRACK EXPERIMENT

Canadian National engineers are experimenting with chemistry to reduce the effects of Old Man Winter on railway track. Under test at Wainwright and near Hinton is a method of applying salt to the ballast below the rails which it is hoped, will prevent or at least minimize the frost heaves which cause rough riding conditions.

The salt is applied in solution and at high concentrations. It will penetrate to the sub-grade below the ballast and act as an anti-freeze when mixed with the moisture in the grade if engineers' expectations are realized.

The Canada Pension Plan and its benefits

Here is what the Canada Pension Plan will do for people like Esther Meyer, a 50-year-old owner of a small store who makes $5,800 a year.

If Esther continues to earn this amount from her business until age 65, she and her husband, who is disabled and cannot work, can look forward to a retirement income of $104.17 from the Plan and $75 from Old Age Security—a total of $179.17 a month. When her husband receives Old Age Security, their income will be $254.17 a month.

Should Esther die anytime after 1967, having contributed until her death, her husband will receive a disabled widower's pension of $64.06 a month until he reaches age 65. At that time, or if he is already 65 when Esther dies, his pension under the Plan will be $62.50 a month plus $75 a month Old Age Security. On the death of his wife, Mr. Meyer will also be entitled to a lump sum payment of $500.

All benefits under the Plan will maintain their value. The actual benefits payable will probably be higher than those given here since benefits will be adjusted to meet changes in living costs and in wage levels before they are paid and changes in living costs after they become payable.

What will the Plan cost you?

If, like Esther, you have self-employed earnings of $5,800 a year, you will pay $158.40 a year which is 3.6% of $4,400, the maximum amount upon which contributions are payable. Payment will be in instalments in the same way you pay your income tax.

This advertisement is one of a series which relates some of the important benefits of the Canada Pension Plan to individual circumstances.

National Health and Welfare,

Berrymoor Church Wedding Scene

The Berrymoor Pentecostal Holiness Church was the scene of a beautiful wedding on September 18th when Linda Mae, youngest daughter of Mrs. Beatrice Cropley exchanged marriage vows with Mr. Ralph Keith Davidson of Moose Jaw, Saskatchewan. Rev. A. Sader of Edmonton officiated at the double ring ceremony.

The bride, given in marriage by her Uncle John Robson, was lovely in a floor length gown of white peau-de-soi taffeta. The scooped neckline, slightly veed in the back, was outlined with appliqued lace. The full skirt and wide bow at the back of the waistline also featured the appliqued lace. The sleeves were lilypoint. Her fingertip length veil was held in place by a tiara of pearls and sequins. She carried American Beauty Roses.

Miss Dayna Cropley, sister of the bride was maid of honor and Miss Claudette Barrett, cousin of the bride was bridesmaid. They wore identical floorlength gowns of silver and turquoise brocaded taffeta featuring bows and full length streamers extending from the back of the slightly veed neckline. They wore shoulder length turquoise veils held in place by circular headpieces that matched their dresses. They carried white carnations.

Misses Penny Robson and Patsy Robb cousins of the bride were flower girls. They wore floor length gowns of shrimp pink and silver brocaded taffeta identical to those of the bridesmaids. They also wore veils held in place by circular headpieces to match their dresses. They carried miniature shrimp pink roses and lily of the valley bouquets.

Masters Kirk and Garth Holmgren, nephews of the bride were ring bearers. They wore black trouses and ties, white shirts and shrimp pink and silver brocaded taffeta vests that matched the dresses of the flower girls. They carried the rings on white satin and lace cushions.

Mr. Ken Acorn and Mr. Howard Cameron attended the groom. Mr. Brian Brown was the usher.

For her daughters wedding Mrs. Cropley chose a rich brown brocaded taffeta dress with orange accessories. Her corsage was of fall shades of tea roses.

Miss Edythe Wideman played the wedding march a and Mrs. Margaret Haynes of Drayton Valley sang "O Perfect Love" during the signing of the register.

The reception for approximately 100 guests was held in the Lindale Hall, at which Miss Ethel Wideman sang "Together".

The happy couple left for southern Alberta and Saskatchewan to visit the grooms relatives.

Lodgepole News

MRS. W. NORQUAY
Correspondent

I had the T.V. on when Popcorn Playhouse was on last Monday and happened to hear them calling out names of who had birthdays. Suddenly I heard the name, Brady Vanderleest, Lodgepole. I called up his mother and asked her if Brady had a birthday. She told me yes he did. Then she gave me the names of the children who were there. The names follow: Darrell Elliott, Daren Nelson, Kathy and Dennis Knapp, Franky Cunningham, Blaine Rosentreter, Polly and Joyce Smithinski and Brady's little brother, Mike Vanderleest. A good time was had by all.

Then at night John Vanderleest took his wife, Elsa, out to have a very nice evening to celebrate their 7th Wedding Anniversary.

The Scouts had a car wash on Saturday, October 2nd at the Esso garage. All water and facilities were donated by Herman Tuks. Everyone who works with the Scouts and Cubs wish to say thank you to Herman Tuks for everything.

The Cubs have been out selling peanuts and they had a bottle drive on Saturday, October 2nd. There are 30 Cubs and 15 Scouts.

Mrs. Ed Moisey had the United Church Ladies at her place for their Hobo Tea.

The new Executive Committee are as follows:
President - Ron Schultz
Secretary - Hazel Bolianatz
Treasurer - Heather Pankewicz.
Public Relations - Mrs. E. Knapp and Mrs. B. Cox
Finance - Adam Muzylouski
Training - Bill Steele
Campaign - Reg Hamilton

Mrs. A. Doran had her TV antenna blown down in the high wind on Friday. Mrs. E. Knapp had hers blown down Wednesday night. Both ladies live on top of the hill.

As I was crossing the highway to go into Lodgepole, I saw a jeep with a sign on the front of it with these words, "Wide, Long, Load". Following behind was what looked like a wide floor with what looked like a motor on the front part and toward the back a saw mandrel. When I asked someone about it they said they thought it was a sawmill and it might be going up the Elk River road. Here's hoping that it's right.

Sunday School started last Sunday, October 3rd. It starts at 10 o'clock for children from 5 years and up. There are plenty of teachers.

Church is every other Sunday at 1 o'clock in the afternoon at the school. Rev. Strachan is the minister.

Mr. and Mrs. Grassdal have just arrived in Lodgepole. Mr. Grassdal is working at the Dam. We are very happy to say, "Welcome" to these two newcomers.

Coming in from Lodgepole we came through the road over the culvert. The road is open but they are still filling in.

Alberta Harvest Making Progress

The following is the Crop Report for the week ended October 6th prepared by the Alberta Pacific Grain Company.

Following several weeks of intermittent rain and snow, warm dry weather spread over Alberta early last week. Several days were needed to dry out the cut grain and in the meantime swathing continued to the point where it is now almost completed in most districts.

Combining got under way about October 1st or 2nd, but much of the first grain was tough or damp. Coarse grains dried quicker than wheat and operations have been mostly concentrated on these crops. Progress throughout the Province is fairly uniform and the average amount of combining done is: Wheat 25%, Oats and Barley 55%.

On October 1st very strong winds swept the Province causing considerable damage to standing crops and newly swathed grain. In the Peace River District, showers have interfered with operations, but average progress is about the same as the rest of the Province.

CHRISTMAS STAMPS

For an early start on Christmas mailing, especially for parcels to distant overseas points, the special 3¢ and 5¢ Christmas stamps became available October 13th at the local Post Office. Designed by Miss Helen Fitzgerald of Toronto, both stamps feature the hands of the Magi bearing gifts.

Couple Wed Recently in D.V. United Church

Drayton Valley United Church was the scene of a pretty ceremony recently, when Barbara Elaine Kyle became the bride of Ernest Holmberg

Rev. J. Strachan performed the double ring ceremony for the daughter of Mr. & Mrs. Stuart Kyle of Lodgepole (formerly Manor, Sask.) and the son of Mr. & Mrs. Septon Holmberg of Lac Du Bonnet, Manitoba.

The bride, who was given in marriage by her father, wore a gown of blue lace over taffeta, styled with a long chiffon train. A circular veil of white net fell softly from a headdress of roses. She carried a cascade bouquet of red roses.

The bride was attended by her sister, Miss Rebecca Kyle who wore a gown of pink chiffon, styled with a floating scarf. Her headdress was a rhinestone tiara.

Miss Darcy and Kandy Kyle were their sister's flower girls. They were very charming in white nylon and pink nylon gowns, with head bands of white roses, with white shoes and gloves.

Mr. Carl Holmberg was his brother's best man. Mrs. G. Peterson played the wedding music. Mr. David Williams of Edmonton sang "O Perfect Love" during the signing of the register.

At a reception in the Lodgepole Community Centre, Mr. Leonard Kay proposed the toast to the bride.

The bride chose a brown suit, dressmaker style with red accessories for her going-away outfit.

Out of town guests included Mrs. Septon Holmberg, mother of the groom, and his brothers, Victor and Clarence. Also Mr. Jerry Gauthier and Lloyd Pakoos, friends of the groom, all of Lac Du Bonnet, Manitoba.

Mr. & Mrs. Holmberg will make their home in Lodgepole for the present, where the groom is employed by an oil company.

Private Bird Farms Approved

The Hon. H. A. Ruste, Minister of Lands and Forests, announces that game regulations, designed for the control of private pheasant hunting in Alberta, were passed by Order-in-Council dated September 21st, 1965. Patterned after established regulations that provide for the operation of private game bird farms, the new regulations permit the issue of licences for controlled shooting of pen reared pheasants, released for hunting on private lands.

The regulations set an annual licence fee of $100 and detail other measures designed for the orderly development of this form of hunting in Alberta.

An applicant is required to be a resident of the Province and must provide not less than 160 acres and not more than 640 acres of land in one parcel for use as a controlled shooting ground. Rules for posting land so used and for controlling the proximity of one game bird farm to another are specified. Dimensions, materials and capacity of bird rearing pens are provided. Rules for bird identification, poultry disease inspection and records of birds shot are laid down.

The regulations prohibit shooting pheasants on private pheasant hunting grounds on Sunday and limit the hours of shooting to the standard bird hunting period, one-half hour before sunrise to one-half hour after sunset. Patrons of controlled shooting grounds are not required to have an Alberta Bird Game licence.

Ken Wardlow, Legion president, announced last week that arrangements have been completed with officials of the Associated Canadian Travellers to hold the show at the Frank Maddock School auditorium, commencing at 7:30 p.m. on above date.

Mr. Wardlow stated that the Legion Auxiliary, who sponsored the show on several occasions in previous years, have offered their services to support the project in every way possible.

Contestant registration is now under way at Copeman's Shoe store and those planning to compete on Search for Talent are urged to register early as the overall total number of registrations is limited to twenty.

Mr. Wardlow stated that Search for Talent serves three worthy purposes. Firstly, it provides an opportunity to discover and promote local talent. Secondly it provides funds for the local sponsoring organization, in this case, the Drayton Valley Legion Branch. And thirdly, it raises money for the A.C.T. Northern Alberta Crippled Children's Fund, which provides financial assistance for medical, surgical and hospital care of needy crippled children in the area.

In addition, during the past several years, the fund has been active in providing facilities for the Crippled Children's Camp at Lake Isle, fifty miles West of Edmonton. More than $28,000.00 has already been spent on the Camp, including a swimming pool donated in 1964. An additional $130,000.00 was pledged recently, to complete construction of the entire Camp Complex.

In outlining the Search for Talent program Mr. Wardlow stated that each show will feature four areas of competition for local contestants plus entertainment provided by the Slick-Seven, a group of versatile entertainers under the direction of Johnny Forrest famous CBC - T.V. Scottish entertainer. His cast consists of Bob-a-Doo the Clown; The Wildwood Folksingers; Donna Martinson, the flaming baton twirler and tap dancer; Joy Martin, pianist and accompanist; and Johnny Forrest. Jim Bladon is stage and lighting manager; and Maury Banks, CFRN Announcer, will be in his second year as Master of Ceremonies.

For the nineteenth consecutive year CFRN-Radio will broadcast the show one week later, and for the first time the Search for Talent finals will be held at the CFRN-T.V. studios in April, 1966 and will be broadcast by delayed videotape.

The four areas of competition are the Sunwapta Primary, Showmanship, Country and Western and the Junior Divisions. Trophies to the first and second place winners at each show will be provided in each competition; with Northwestern Utilities Ltd., donating the awards in the Showmanship Competition; Canada Safeway Ltd. in the Country and Western event; and the Harmony Kids School of Music in the Junior Division. A number of firms will donate trophies in the Primary Event, with the Sunwapta Broadcasting Company Ltd. climaxing the season with three Sunwapta Scholarships to be given to the top three performers in the primary event.

In the International field of education and vocational training UNICEF will spend $5.8 million for assistance in developing countries. Canadian contributions aid this fund.

Successful Swimming Season Reviewed

F.H. deGeest reviews the swim season:

Another swimming season has gone by and in looking back over this season several highlights come to my mind. In the first place we were assisted, and most ably so, by Ken Mickey, the pool supervisor. He did an excellent job for which we are very grateful.

Then there are our swimmers. After I came back from my month-long vacation I was amazed at the improvement of some of our swimmers. They all had improved but some had greatly improved. To name a few: Barbara Henderson, Valerie Moody, Blair Timmins, Carl Bengston, Doug Rennie and Grant Germaniuk.

Most of our swimmers have earned ribbons at the different meets and this is an indication of our progress.

A trophy was made available by Neptune for the boy and the girl who performed most outstandingly during the year and this year's winners are: Barbara Henderson and Grant Germaniuk. Congratulations you two, be sure to keep it up next year.

We thank all those parents who were willing to give their time and cars to go to the different swim meets out of town and it is regrettable that we could not have our own meet in Drayton Valley due to the weather.

A special thanks goes to Mike Gormley who assisted us in every way possible and represented us at the Town Council and Recreation Board. Fine work Mike. Furthermore my thanks to Mrs. Moore who was our first adult member this year and I hope that this will be the start of a group of adults to join Neptune in the future.

On Wednesday, September 1st, 1965 we had our annual meeting in the scout hall. This was to my estimation a great success. My thanks to all the parents who were in attendance. I hope that this feeling of interest will remain with you in the coming season. Last but not least I want to thank Mr. and Mrs. Timmins for their loyalty and their work which they gave to our club during the season. I hope to be able to count on them again next year.

Furthermore we thank all those people not mentioned who have worked for the success of our club. We are very grateful for your assistance. Let us make 1966 a better year yet.

Esks Defeat Stamps 13 - 0

The Eskimos edged the Stampeders 13 - 0 in a regular scheduled Pee Wee Football game. The contest was played at the Lions West Park field under excellent weather conditions.

The Esks took an early lead and played a sound defensive game throughout to hold the Stampeders at bay most of the game.

The same two teams play again next Monday evening at 4:00 p.m. at Lions Park. The game will be on Monday because of Sunday's crowded schedule.

Sunday, October 17th is the date for the season's big home town football bonanza. The Drayton Valley Wildcats and Spartans will be entertaining two teams from Edmonton.

The first game will get underway at 1:30 p.m. sharp when the Wildcats face the Edmonton Wolverines and this is to be followed by the high-schools first home game at 3:30.

LIONS CLUB ACTIVITIES

The local Lions Club are again in action. Lion members began canvassing for the Canadian National Institute for the Blind the week of October 5th - 10th. The areas that have not been canvassed as yet should be completed in the next few weeks. Members report that they are receiving a good response from residents and business houses. This is the third consecutive year that the Drayton Valley Lions have canvassed for the C.N.I.B.

With the World Series Pool being accepted very favorably, plans will soon commence on Grey Cup ticket sales. Last year Pool Ticket sales supplied the Lions Club with the second best source of income.

Due to a tremendous work load, Lyt Krauter has resigned as 2nd Vic President. Fred Kaarsemaker now moves up to 2nd Vic President. Fred Schipper has accepted the appointment as 3rd Vice-President.

Joe Byciuk has taken over as Treasurer from Dave Rhyason who has left Drayton Valley to further his education.

Ladies nite, October 5th, the Lions Club met at the Cardium Room at 7:00 p.m. Following supper, guest speaker, Mr. George Crothus of the Alberta Motor Association, gave and interesting and informative talk on safety and driver education. Mr. Crothus, who stressed defensive driving, was well received by members and wives.

Wayne Schmidt has promised a well organized New Year's Eve Party.

The idea of sponsoring Sunday night movies at the Cardium Theatre is being pursued. We hope to supply entertaining pictures for your pleasure.

As of August 31, 1965, Lions International had 752,750 members in 19,529 clubs in 132 countries and geographical areas.

Cats Lose Sunday

The Drayton Valley Wildcats playing their first game of the season went down to defeat by a score of 26-0 before a large crowd of home town fans. This was Edmonton's fifth straight win in six outings. Edmonton Palmers 49-ers did all their scoring in the first half and then ran into a stiff battle in the second half where the Wildcats held a slight edge.

For the Wildcats, Cameron Ward and Rickey Gabrielson played a strong two way game. On defense Dan Bartlett, Stefan Hoge and Dean Parenteau showed well. Offensively Don Bouchard, Cameron Ward and Doug Ibbitson were the main ground gainers.

With a game of experience behind them the Wildcats are now more ready to fact another one of Edmonton's stronger teams, come this Sunday at Drayton Valley.
